BINARIA

Javier Herrero Studio 2017

Escofet®

#### Origin

A tiny island in the City Council square of the town of Chiva for cosmopolitan souls in search of a place to rest in the shade of a tree... or simply a peaceful spot in which to hold a conversation.

#### Versatile

A single item with a double function, serving as a large plant pot and a bench with a back of 2 m for open areas in which to create green, comfortable spaces.

#### Material

Moulded concrete with a etched finish and in the Escofet catalogue standard chart colour. Inner waterproofing coating breathable and flexible.

#### Installation

Self-stabilising and resting directly on the paving. Supplied with a sling mounting hole for easy of installation.
