

L'accessoire *Rest* est un accoudoir métallique universel pour bancs en béton. Il est compatible avec une large gamme de produits du catalogue Escofet et répond à ce besoin soit en combinaison avec un dossier, soit individuellement. Il répond aux exigences d'ergonomie et de convivialité pour faciliter l'assise des personnes à mobilité réduite qui ont besoin de ce support. Il est fait d'acier galvanisé et peint en argent texturé. Alternativement en acier inoxydable.
