

La colección de complementos REST se compone de un respaldo de madera universal para bancos de hormigón y un apoyabrazos metálico. Ambos compatibles con un amplio rango de bancos y bancas del catálogo de Escofet para dar respuesta a los requerimientos de accesibilidad y confort, ya sea combinándolos o individualmente. Cumple los requisitos ergonómicos y de usabilidad para facilitar el asiento a las personas de movilidad reducida que precisan de ese soporte. Se fabrica en acero cincado y pintado plata texturizado. Alternativamente en acero inoxidable.
