

La collection de compléments REST se compose d'un dossier universel en bois pour bancs en béton et d'un accoudoir métallique. Tous deux sont compatibles avec une large gamme de bancs de la collection Escofet, afin de répondre aux exigences d'accessibilité et de confort, qu'ils soient utilisés conjointement ou séparément. Ils satisfont aux critères ergonomiques et d'usage facilitant l'assise des personnes à mobilité réduite nécessitant un support supplémentaire pour s'asseoir ou se relever. Les éléments sont fabriqués fait d'acier zingué et peint en argent texturé.
