

The Rest accessories are a universal metal armrest and a wood backrest for concrete benches. It is compatible with a wide range of products from the Escofet catalogue and it fits to this need either in combination with a backrest or individually. It meets the ergonomic and usability requirements to facilitate seating for people with reduced mobility who need this support. It is made of zinc plated steel and painted textured silver. Alternatively, in stainless steel.

Steel | FSC® Certified Wood |  400 mm |  3,25 kg

 Update 21.07.2026
